NEW HARVEST CHRISTIAN SCHOOL

Dear Parents/Guardians and Students:

It is our pleasure to welcome you to New Harvest Christian School. You are beginning an exciting program, which can influence the rest of your life. It is Christ-centered, success oriented, academically individualized and of the highest quality.

New Harvest Christian School is more than just an educational institution; it is an integral part of the ministry of New Harvest Christian Fellowship. Beliefs and behavior are determined by unchanging Biblical standards rather than by the ever-changing morals of this society.

“Train up a child in the way he should go; and when he is old, he will not depart from it.” Proverbs 22:6

With the proper Christian education, we aim to have students who will be HONORING GOD, HONORING THEIR CHURCH, HONORING THEIR COUNTRY, AND HONORING THEIR PARENTS. It is not our goal to take the place of home training, but to act as an extension to the training by parents.

We ask that you will give us your full support and make New Harvest Christian School, not only an education facility, but an educational family.

In His Service,

Richard M. Salazar
Senior Pastor
New Harvest Norwalk

The purpose of this handbook is to provide information to parents and students. This does not create a contract. This handbook is subject to change at any time.

PHILOSOPHY AND FOUNDATIONS

HISTORY

New Harvest Christian School is an extension of the ministry of New Harvest Christian Fellowship.

The first “learning center” was birthed at our church in Manchester, England. In September of 1990 we opened our first “learning center” in Norwalk, California. Because of the fine Christian men and women who gave themselves to this ministry of Christian education, we were able to become a private Christian school in September of 1993. Our facilities include Preschool through High School. In addition, we are offering college-degree correspondence courses to any student who may be interested in furthering his/her Biblical education.

The first enrollment in 1993 was over 50 students attending our facilities in Norwalk and 250 Independent Study students. We are also experiencing the joy of having “learning centers” open up in our other churches throughout the United States and overseas.

New Harvest Christian School adopted the “Accelerated Christian Education” curriculum and individualized course of study.

We praise God for the blessings experienced; numerically, academically, and spiritually. The school is indebted to the Christian men and women who are dedicating themselves to this ministry of Christian education. The imprint of their lives and their teaching is immense.

STATEMENT OF PURPOSE

We believe that God has given parents the direct responsibility to train and educate their children according to God’s Word. We, the school, along with the church, serve as a partner with them in carrying out this responsibility.

Our mission is to reach children for the Lord, to give them a Christ-centered education, which will give them the opportunity to acquire the spiritual, academic, social, and physical skills necessary to reach their God-given potential, and to encourage them to make positive contributions to their world according to God’s plan for their lives.

We are committed to a balanced education, meeting the needs of the total person spiritually, intellectually, emotionally, physically and socially.

We wish to be known for our love of God. It is our intention to uphold the virtues of:

A CHRISTIAN NATION . . .

A CHRISTIAN SCHOOL . . .

A CHRISTIAN HOME . . .

We wish it to be known that our vision and our venture, our motive and our message is all to THE GLORY OF GOD.

SPIRITUALLY

1. We believe that all truth comes from God and, therefore, all areas of the curriculum are taught in light of what God says about Himself, ourselves, and the world, as revealed in the Bible.
2. It is our desire that each child comes to a personal relationship with Christ.
3. It is our goal to educate students so that they successfully integrate Christian philosophy into their total lives.

INTELLECTUALLY

1. It is our purpose to offer a quality accelerated educational program within the Christian framework of Truth, which challenges and teaches each student according to his/her individual abilities and helps each student realize his/her God-given potential.
2. It is our goal to provide a loving, cheerful, and appealing environment tailored to the student's developmental needs so that each child can experience success and joy in learning.
3. It is our purpose to provide an academic climate conducive for learning.

PHYSICALLY

1. It is our purpose to help students understand the marvelous workings of their bodies and to help them develop healthy habits and activities to aid their physical growth.
2. It is our goal to encourage students to find and develop skills in the area of individual or group sports that brings a sense of accomplishment to the individual.
3. It is our goal to help our students learn the value of team play and good sportsmanship.

SOCIALLY

1. It is our purpose to help children accept themselves and others as unique creations of God, and to develop social skills that show that they value the individual worth of others.
2. It is our goal to encourage children to develop self-discipline, accept responsibility and respect authority.
3. It is our goal to prepare students to take their place in the home, the church, and the community in a manner that is God-glorifying.

STATEMENT OF FAITH

1. We Believe in God the Father, God the Son, God the Holy Spirit and that they are distinct personalities with distinct roles, but one God. And that One God is the Creator of the universe. (Genesis 1:1; Matthew 28:19; John 10:30).
2. We Believe the Bible is the divinely inspired Word of God in its entirety and that it does not contradict itself. It is our guide. (2 Timothy 3:15; 2 Peter 1:21).
3. We Believe Jesus Christ is the Messiah, the Savior, the Son of God (John 10:33), who was born of a virgin (Isaiah 7:14), lived a sinless life (Hebrews 4:15, 7:26), died on a cross (1 Corinthians 15:3; Ephesians 1:7; Hebrews 2:9), and

was raised from the grave (John 11:25; 1 Corinthians 15:4). He will return as our victorious Lord (Acts 1:11; Revelation 19:11).

4. We Believe our salvation comes only through Jesus Christ and cannot be earned. It is a gift of God. (John 3:16-19, 5:24; Romans 3:23, 5:8-9; Ephesians 2:9-10; Titus 3:5).
5. We Believe the church, as the body of Christ, is the extension of Jesus Christ's character, attitude, behavior, and mission in our world today. (Ephesians 1:22-23; 4:15-16)
6. We Believe faith in Jesus requires repentance, confession of that faith before witnesses, obedience to His Word. Baptism by immersion demonstrates our faith and obedience while it depicts our union with Christ in His death, burial and resurrection. (Acts 2:38).
7. We Believe man was created in the image of God and that He gives gifts to both men and women through the Holy Spirit for the benefit of the church's ministry. (Genesis 2:26-27; Ephesians 4:7-16; Colossians 1:18-20).
8. We Believe everyone who accepts Christ has the indwelling presence of the Holy Spirit who acts as a Comforter, Guide, and Advocate. (Romans 8:12-14).
9. We Believe that humility in prayer is the foundation for all we do and that celebrating communion together weekly is beneficial for all Christians (1 Thessalonians 5:17-18; Acts 2:46-47).
10. We Believe marriage has been established by God. This church defines "marriage" as the exclusive covenantal union of one man and one woman in which such union is a lifetime commitment. A civil government's sanction of a union will be recognized as a legitimate marriage by the church only to the extent that it is consistent with the definition of "marriage" found in these Articles. (Genesis 2:21-24; Mark 10:6-9).

ADMISSIONS

ADMISSIONS POLICY

New Harvest Christian School (NHCS) does not discriminate in its admission policies on the basis of race, sex, nationality or ethnicity. NHCS does not discriminate in its administration of educational policies, extracurricular and athletic programs, or any other school-administered programs.

We do however, reserve the right to deny admission to any individual who cannot benefit from enrollment based on disqualifying academic and social/emotional and behavioral abilities, or whose personal or family lifestyle is not in agreement with the stated philosophy and mission of NHCS.

New Harvest Christian School seeks to establish partnerships with families who desire to provide excellent Christ-centered education for their students. Our admissions procedure includes several steps that are designed to help both school and family determine enrollment. These steps include:

- Initial inquiry by the family.
- **Admission interview** with parent/guardian/campus tour
- Attend **Parent Orientation** (If enrolling at beginning of school year)

- Issue **Parent/Student handbook**. Complete and return **Statement of Agreement form**.
- **Enrollment** - Complete and return application and enrollment forms. Submit required documents as stated in enrollment packet. Include enrollment fee and first month's tuition.

TUITION POLICY

(See "Tuition Rates and Fees" sheet for current pricing information)

There is a non-refundable Enrollment/Testing Fee for all new students.

There is a non-refundable Enrollment Registration Fee, payable yearly.

Tuition is an annual fee to be paid in ten equal installments. At the time of enrollment, the first payment is due.

No child may begin school in September unless the first payment and the registration fees are paid in full.

Tuition is due on the first of every month and is subject to a late fee of \$30.00 after the fifth of the month.

Checks returned, due to insufficient funds, will result in an \$18.00 service charge. After two checks have been returned, the family will be asked to make all future payments with money orders or cashier checks.

If an account becomes more than one month past due, the student may be excluded from school until the balance is paid. Re-enrollment fees will be assessed if the child is dropped.

Full-time "Extended Care Program" payments begin in September and go through the last month of enrollment. Students may be placed in Extended Care throughout the year. A weekly rate is charged and added to the tuition statement.

At the time of registration, all tuition, and fees uncollected from the previous year must be paid in full.

FUNDRAISING

All school families must participate in school fundraisers. Yearly tuition fee is based on this premise. Failure to participate may result in an increased tuition fee.

ATTENDANCE

SCHOOL HOURS

The regular school hours are 8:00 a.m. to 3:00 p.m. Monday through Friday for all grades Kindergarten through 12th. Students may not be on school property before 7:45 a.m. or after 3:10 p.m.

ATTENDANCE - ABSENCES

Regular attendance is **required** to receive a quality education and full credit. **No student may have more than 10 absences or 6 tardies per semester.** Absences work hardships on everyone involved, so do your best to avoid them.

A pupil who is absent **must turn in an absence note** from their parent/guardian. The only legal reasons for school absence according to California Law are:

1. Verified illness of the student (note from parent and/or doctor upon their return)
2. Bereavement (death in family)
3. Verified medical, dental or optometrist appointments

Students, who come to school without a written excuse from a parent, may not be allowed to re-enter their classroom and may be suspended.

Students who find it necessary to leave school before dismissal time must wait until a parent or someone with prior parental approval arrives to sign them out. **NO EXCEPTIONS!**

Students, who would like to vary their schedule for extracurricular activities, may not do so without receiving prior approval from the Principal. This includes extra classes, programs, jobs, or any other activities that occur during regular school hours.

Absences not permitted by law are sometimes allowable, provided they are known and approved by the Supervisor in advance. Students are expected to make up the necessary work missed during absences.

ARRIVAL AT SCHOOL/SECURITY PROTOCOL

KINDERGARTEN/FIRST GRADE STUDENTS

Kindergarteners and first grade students may be dropped off in the designated student area in the morning and they will be escorted to class. They **DO NOT** need to wait in the security line and pass through the metal detectors. They meet with their class and will be escorted to their classroom. Students arriving after 8:00 a.m. **MUST BE ESCORTED** by a Parent/Guardian and signed in at the Security booth. **THEY ARE NOT TO BE DROPPED OFF.** The school cannot be responsible for the children until they are checked in to Security. **Protect your child!**

STUDENTS GRADES 2 THROUGH 12

Students may not arrive before 7:45 a.m. or they will be placed in extended care. At 7:45, students may line up to go through the security check and will then line up with their class. At 7:55, they will be escorted to their classrooms. Classes will begin at 8:00 a.m. promptly.

LATE ARRIVAL/TARDY

Tardiness will not be tolerated. Students arriving after 8:00 am are considered tardy. Late students may **NOT** be dropped off. Parent/Guardian must check in at security and obtain a tardy slip for student to enter class. Parent/Guardian must let security know reason for tardy. Tardy will be excused for medical/dental appointments with a note from physician. All other tardies are unexcused unless waived by Administration. **An unexcused tardy will merit an automatic tardy detention.** If student reaches 6 unexcused tardies, parent will be required attend a truancy conference. If improvement is not made, subsequent tardies will incur **a truancy fee of \$10.00 per tardy.** If student continues to have unexcused late arrivals, the student may be **suspended.**

RAINY DAY PROCEDURE

On rainy days, students are to be dropped off at the entrance of the café on the west side of the building where they usually line up. Students will go through security check inside the building, and then escorted to their classrooms.

SCHOOL DISMISSAL

If your children are picked up by someone other than yourself, that person's name must be listed on the emergency form. Students will NOT be released to anyone who is not listed. If there is an unexpected circumstance and someone who is not listed will be picking up your child, you must contact the office as early as possible in the day so their supervisor and security may be notified. Identification will be required for your child to be released to anyone other than yourself.

We will not release your child if this is not done. They will be placed in Extended Care. Please notify the office if any circumstance should cause you to arrive later than 3:10 P.M. If students have not departed the school by 3:10 P.M., they will be placed in Extended Care and a fee charged. The cost is \$20.00 an hour.

Students completing a detention must be picked up within 10 minutes. After 10 minutes, students will be placed in Extended Care and a fee charged. The cost will be \$20.00 an hour per child, per day. This fee is due immediately upon picking up your child. It is the parents' responsibility to pick up their children as soon as their detention is over.

PERMISSION TO LEAVE CAMPUS

Parents who would like their children to be dismissed at the end of the school day must submit a "*Permission to Leave Campus*" form. Students will then be "released to self" and allowed to leave the campus. Students must exit and leave the school grounds.

Students who re-enter will be placed in Extended Care and a fee charged. STUDENTS MAY NOT LOITER IN THE PARKING LOT OR OUTSIDE THE SCHOOL GROUNDS. Students who wait for transportation must travel 100 yards or more away from the premises. Students who loiter near school grounds will lose their permission to leave campus privileges and may also be suspended for not following school policy.

EXTENDED DAY CARE

Regular school hours are 8:00 A.M. to 3:00 P.M. The Extended Care Program is available to students in grades K-6 and provides care in the early morning and after school (6:00 A.M. to 6:00 P.M.).

Students must be enrolled into the Extended Care Program to participate. Enrollment fee and forms must be filled out for students who will be in Extended Care on a regular basis. If your child does not arrive before 7:45 A.M. and leaves before 3:10 P.M. no Extended Care Program fees will be assessed.

Procedures:

1. The child(ren) must be signed **In and Out** every day by their parents/guardian.
2. We are not responsible for children who are "dropped off/not signed in"
3. Children who are on school grounds before 7:45 A.M. or after 3:10 P.M. will automatically be enrolled in the Extended Care for that day. If this occurs there is a \$20.00 fee for each student.
4. Children not picked up by 6:00 P.M. closing will be charged \$1.00 per minute until parent arrives. These additional fees are **due immediately** upon arrival.
5. Children in the Extended Care Program may bring extra snacks to be eaten after school. Please label snacks and place them in a separate bag.

LEAVING SCHOOL GROUNDS

Once a child arrives at school, he/she is never to leave the school grounds without written permission from the parent and approval by the school office on that day. The student must be picked up by parent(s) or person(s) given prior permission to pick up the child.

ONCE IT HAS BEEN ESTABLISHED THAT A STUDENT HAS DELIBERATELY LEFT SCHOOL GROUNDS WITHOUT PERMISSION, WE WILL NOTIFY PARENTS AS SOON AS POSSIBLE.

THE STUDENT MAY THEN BE EXPELLED FOR LEAVING WITHOUT PERMISSION. THERE ARE NO EXCEPTIONS TO THIS RULE.

Unless it is absolutely necessary, do not ask to take your child from school before the regular day ends. If this becomes necessary, a parent/guardian must pick up the student.

For unexpected circumstances or emergencies, if it becomes necessary for someone else to pick up your child, arrangements must be made through the school office. The person designated by the parent/guardian must show a picture I.D. when arriving to pick up a student.

CHANGE OF ADDRESS AND TELEPHONE

For the benefit of your child, please be sure to immediately report any change in your work, home, emergency phone numbers or your address.

INSTRUCTIONAL PROGRAM

CURRICULUM

New Harvest Christian School uses the School of Tomorrow curriculum for all grades. The School of Tomorrow curriculum is designed to facilitate learning. The combination of quality academics and built-in controls enables a student to attain the highest level of scholastic achievement.

Students are given diagnostic tests and assigned curriculum at a level they can be successful. Each student is issued a Pace book in 5 core subjects: Mathematics, English, Science, Social Studies and Word Building. Additional Paces may be assigned to enrich the curriculum.

Each Pace has Checkups, which are the student's measurement of learning within small segments of the Pace. The Self- Test permits the student to evaluate his total understanding of Pace material. After the Self-Test is successfully completed and passed, the student is issued the Pace Test.

The Pace Test is the supervisor's measurement of what the student has learned. Pace Test scores are then posted in the student's record and are used to grade the student in each subject.

DIAGNOSTIC TESTING

All new students will be given diagnostic tests to determine the level of curriculum assigned. Students who test more than two years below grade level may require extra tutoring or require further testing. If this is necessary, parents will be contacted. Any further tutoring or testing that is required will be at the parents' expense. Additional charges may apply.

HOMEWORK

The daily goals set by the students and reviewed by the Supervisor are not more than the student is capable of completing during the school day. Should the student not be able to meet the day's goals, he/she may be required to complete the work at home. Parents are encouraged to check their students' homework for neatness and completion. Students who regularly return to school with incomplete homework may be suspended and a parent conference required for re-admission.

HONOR ROLL

A minimum standard for achieving honor roll each quarter will be three (3) passed Paces per subject per quarter. Students must also maintain academic balance and obtain a 94 % grade point average in all subjects.

PROGRESS REPORTS

A progress report will be sent bi-weekly to the parents. The progress report must be reviewed, signed by a parent, and returned to the Supervisor. A student should not be working on the same PACE for more than two weeks. **It is the parent's responsibility to keep informed of their child's progress.**

TRANSCRIPTS/RECORD REQUESTS

Requests for copies of school documents require a **five-to-ten-day notice** before documents can be supplied. Please request copies through the school office.

The registrar's office is closed during summer. Requests made during the summer months will not be processed until September.

The fee schedule is as follows:

Report Card--\$5.00 Official Transcript-- \$10.00 High School Diploma--\$25.00.

REPORT CARDS

The grading system of our school is designed to give the parents a true indication of the student's progress, or lack thereof.

Report Cards are issued to the students to present to their parents after the end of each quarter. The Report Card is to be signed by the parent and returned to the school promptly. Five dollars will be charged for cards not returned. Twelve (12) completed PACES are required for one year's credit in each subject.

Three PACES in each subject are required each quarter. An "Incomplete" will be placed on the report card if the student has not tested on all the required PACES. Report Cards *will be revised and grades given when the student completes the work.* At the High School level, three (3) completed PACES in each subject equal 2.5 credits.

To promote to the next grade, 60 paces must be completed.

Students who do not complete the required curriculum will be required to attend summer school. Students who are behind schedule more than one quarter will repeat the grade. This does not apply to High School students. High School students are monitored by Paces, other coursework, and credits earned.

See: High School Graduation Requirements.

GRADING—GRADES 1-3 (Below Pace 1037)

Students in grades 1 through 3 who are doing Paces below Pace #1037, will use the following grading system. This level of curriculum must be passed at 90% or higher. Less than 90% is not a passing grade at this level. The grading system reflects this. Once a student begins Pace 1037 and above, the regular grading system will apply. Grading on report cards will be as follows:

<u>Academics</u>	<u>Citizenship</u>
A - 98 - 100%	E-Excellent
B - 94 - 97%	G-Good
C - 90 - 93%	S-Satisfactory
	N-Needs Improvement
Below 90% = Incomplete	U-Unsatisfactory

GRADING—GRADES 3-12 (Pace 1037+)

Grading on report cards will be as follows:

<u>Academics</u>	<u>Citizenship</u>
A - 94 - 100%	E-Excellent
B - 87 - 93%	G-Good
C - 80 - 86%	S-Satisfactory

FIELD TRIPS/MERIT FIELD TRIPS

In connection with their studies in the arts and sciences, students have field trips scheduled during the year. Although such off-campus learning experiences are of real enjoyment for the children, it is to be realized that these experiences are designed primarily to enrich learning.

Supervisors may ask students to take notes and a test may be given upon returning to school. A natural outgrowth of such trips, under the supervision of adults on every occasion, is that the student is disciplined in the art of self-control and gracious deportment in all kinds of situations.

Merit field trips: Students who are ahead of schedule in their work may earn the privilege of attending extra field trips for academic merit.

BEHAVIOR AND CONDUCT

CODE OF CONDUCT

New Harvest Christian School desires to produce an environment, which will encourage every student to conduct himself or herself with integrity and courtesy towards others at all times.

It is understood that while enrolled at NHCS, parents accept responsibility for their student to ensure that he/she abide by this code of conduct at all times. Our goal is for each student to have a vital personal relationship with God through faith in Jesus Christ, and we ask all students to measure their lives by scriptural standards of conduct.

New Harvest Christian School is dedicated to the training of boys and girls in a program of study, activity and living that is Christ-centered. To safeguard the reputation of our school, the following standards have been formulated. Strict enforcement of these standards will help to ensure a productive school year.

Students are expected to refrain from involvement in immoral or illegal activities, sexual misconduct, including but not limited to, premarital sex or homosexual activity, alcohol use, misuse of drugs, tobacco, improper or vulgar language, indecent, disorderly, or boisterous behavior. This includes unbecoming language, photos or behavior in any form including texting, cell phone use, e-mails, social media platforms or internet web sites.

GENDER IDENTITY

In light of current issues involving sexual orientation and gender identity, this code of conduct will address the following:

- (1) Dress will conform with one's biological sex assigned at birth.
- (2) Restrooms, Locker Rooms, and Changing Facilities. The use of these facilities shall be based upon one's biological sex assigned at birth.
- (3) Gender Expression; i.e.; names/pronouns etc., which do not correspond with a person's birth name shall not be allowed or recognized. All students shall be addressed by their birth name.

Based on our biblical and theological study, there is no argument for a "third gender" among humans. *We believe that God created the human race male and female and that all conduct with the intent to adopt a gender other than one's birth gender is immoral and therefore sin (Gen. 1:27; Deut. 22:5).*

Gender confusion and dysphoria are ultimately the biological, psychological, social and spiritual consequences of the human race's fallen condition. This state of depravity affects all persons individually and collectively. While society is at liberty to destigmatize or legitimize any behavior it chooses simply by reclassifying and renaming it, New Harvest Christian School adheres to biblical boundaries. It is our Christian conviction that renaming them cannot normalize sin and its expressions.

OPPOSITE SEX INTERACTION ON CAMPUS

In the interest of creating an orderly campus and wholesome Christian atmosphere, demonstrations of personal affection or physical contact that is viewed as romantic involvement is not permitted between students on campus or during school-sponsored activities. Students shall not discuss their romantic feelings, or those of other students, with each other. This also includes all types of social media platforms. While it is normal for adolescents to be attracted to members of the opposite sex, we believe the primary purpose of students at New Harvest Christian School is for them to progress in their education.

Willful disobedience or willful disrespect will be grounds for suspension and dismissal.

CODE OF CONDUCT—Off Campus

The conduct that is prohibited at school is equally prohibited away from school. **Regardless of whether the activity takes place at or away from school**, the student is equally subject to discipline for those actions, up to and including expulsion.

COURTESY

Courtesy is the rule in all relationships. Paul says that *“love does not behave itself unseemly”*, that is, it is mannerly. This is true of our school, in the halls, classrooms, and playground.

DISCIPLINE

Our main desire is to help build in children a Biblical, moral framework from which they can determine right and wrong, independent of outside supervision and choose to do what is right.

Our basic policy of discipline is to be firm, fair, and consistent. All discipline whether it is at home or at school should be given in love, "For without love we are nothing". We believe that proper discipline is designed to help the student correct undesired behavior.

God has placed the primary responsibility of the training of a child on their parents. We are here to help you with that task.

We, therefore, will endeavor to keep you informed of discipline problems so we can work together to help your child learn to accept responsibility for his/her behavior.

Any possession of drugs or weapons is grounds for immediate expulsion.

The Supervisor will take care of discipline, preserving guidelines and limits ordered by the Administration.

When a student is disciplined, a note is sent home regarding the offense. The note must be signed by the parent/guardian and returned to school the following day.

Written notification will be sent for: Parent Conference Requests, Detentions, Suspension, or Expulsion.

If your child is expelled or suspended, no tuition or any portion of it will be refunded.

ANY ACT OR PHYSICAL INTENT AGAINST A SUPERVISOR OR ANY OTHER STAFF MEMBER IS CAUSE FOR IMMEDIATE SUSPENSION.

FIGHTING BETWEEN STUDENTS, WHILE IN THE CLASSROOMS OR ON THE CHURCH/SCHOOL PREMISES, WILL NOT BE TOLERATED AND WILL RESULT IN IMMEDIATE SUSPENSION.

DEMERITS

Demerits are issued if necessary, during the day for various misbehaviors. Excessive demerits received in one day will result in the student receiving detention.

DETENTION

Students may be issued detention for various infractions or violations of school rules. Detentions are held after school and may be 15 to 60 minutes long. In lieu of staying after school, students may be issued a detention packet.

This must be completed and along with the detention slip signed by a parent, returned the following school day. Failure to do so will result in the student being detained in the office and a parent or guardian contacted to pick up the student.

SCORE VIOLATIONS (Cheating)

First offense Discuss with student, warning slip sent home for parent signature.

Second offense Score Violation note sent to parent, repeat pace, and \$10.00 fee charged.

Third offense Score Violation note sent to parent, 30-minute detention issued, repeat pace, and \$10.00 fee charged.

Fourth offense Score Violation note sent to parent, repeat pace, \$10.00 fee charged, further disciplinary action may also be taken and a parent conference required.

SCHOOL WORK-VIOLATIONS

Any violation of classroom procedures or test table regulations is considered cheating. Students will be issued a score violation notice and may possibly have to re-do Pace.

SUSPENSION

Students who have been suspended from school may not take any schoolwork home and may not be on school grounds for any reason until the suspension is over.

ACADEMIC PROBATION

Students who do not complete their work and fall seriously behind schedule may be placed on Academic Probation. A parent conference with the principal will be scheduled.

To help the student progress, work goals and guidelines will be set, and the student required to meet them. Student's work will be reviewed weekly.

An increase in tuition will be added. Students placed on Academic Probation will be charged an additional \$25.00 per month. If the students do not improve, tuition will be increased by \$50.00 per month.

If after one month, the student is following the guidelines and has improved, the student may be taken off Academic Probation. If little or no improvement is made, the second increase will be added to the tuition and the student will remain on Academic Probation. After 3 months, the student's progress will be reviewed again and if there is no improvement a decision will be made as to whether the student will remain and continue on Academic Probation, or the student may be dismissed from New Harvest Christian School.

DISCIPLINARY PROBATION

Students, who continue to have ongoing and repeated disciplinary problems, may be placed on Disciplinary Probation. A parent conference with an administrator will be scheduled. Behavior issues will be discussed with the student and the parent. Guidelines and standards will be set for the student and the parent must agree to support them. Student's behavior will be reviewed weekly.

An increase in tuition will be added. The tuition increase of \$50.00 per month will be added. This may be increased by \$25.00 per month at each evaluation if no improvement is made.

After one month, the student's conduct will be reviewed. If the student is following the guidelines and improvement is seen, the student may be taken off Disciplinary Probation. If little or no improvement is seen, the second increase will be added to the tuition. After two months, students' progress will be reviewed again. If there is no improvement, a decision will be made to determine whether the student will remain on Disciplinary Probation, or the student may be dismissed from New Harvest Christian School.

It is possible for a student to be placed on Academic AND Disciplinary probation at the same time. If this occurs, BOTH fees will be incurred and added to monthly tuition.

DRESS CODE AND GROOMING

DRESS AND GROOMING POLICIES

PARENTS are responsible to see that their student is appropriately dressed and groomed when leaving for school and for all school activities.

Students must arrive at school ready to enter class. Shirts must be tucked in; students must be well groomed, neat, and clean. Students will be considered tardy if they attempt to enter class improperly dressed.

Parental responsibilities: We hold parents responsible to avoid obvious deviation from these guidelines. When pupils violate the standards of dress, parents may be called and asked to come to school to provide acceptable clothing or take their child home at the school's discretion.

The intent of the following rules is to encourage students to develop modesty and neatness in personal appearance. Student dress at **all** school-sponsored activities (including games, class fundraisers, field trips, and events) must reflect our school dress and grooming standards. Shorts, for example, must be modest and of proper length.

Tops must be modest, with no cleavage or midriff showing. It is essential to realize that at these activities, the entire school is being represented, not simply the sponsoring group.

There is a State regulation that requires that each kindergarten student and all new students also have a California Immunization Record on file and be current on their immunizations.
